Sir:

STATEMENT TO SUPPORT FILING AND SUBMISSION
IN ACCORDANCE WITH 37 C.F.R. §§ 1.821-1.825

In connection with the Sequence Listing in this application, the undersigned hereby states that:

1. The submission, filed herewith in accordance with 37 C.F.R. § 1.821(g), on information and belief, does not include new matter;
2. In accordance with 37 C.F.R. §§ 1.821(f) and 1.825(b), Applicants assert that the sequence listing information recorded in computer readable form and submitted herewith is identical to the written Substitute Sequence Listing submitted herewith.
3. Applicants further assert under §§ 1.821(g) and 1.825(a) that the Substitute Sequence Listing submitted herewith contains no new matter and request that it be incorporated into this application.

4. All statements made herein of her own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent resulting therefrom.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
